

Irresistible U Are

Alisha's Attic

Here we are again
The jangle of my ankle chain is the only sound I can hear
When I'm here with you

Words collide into a single breath,
You're on my mind, every day and every night,
Irresistable U are,
Oh you are

Hey Mister, you got the lines for an interactive future,
Right on!
Your strong feet were sent to carry me,
How about you marry me?

Words collide into a single breath,
You're on my mind, every day and every night,
Irresistable U are
Irresistable U are
Irresistable U are
Oh you are
Oh you are
Yeah, you are
