Another Night

Alison Krauss

Wind is blowin' 'round the cabin I hate to hear that lonesome sound I'm all alone and so downhearted Since my true love she ain't around

I hate to see that sun a sinkin' Another night to toss and turn Another night to dream about her Another night for her I yearn

She had no cause to go and leave me For I had never done her wrong She left our own little children Now with another man she's gone

I hate to see that sun a sinkin' Another night to toss and turn Another night to dream about her Another night for her I yearn

Children they are sound asleepin' Oh they don't know that their mother's gone What will I do when they awaken? Can I tell them their mother's wrong?

I hate to see that sun a sinkin' Another night to toss and turn Another night to dream about her Another night for her I yearn
