

# Find My Way Back To My Heart

Alison Krauss

I used to laugh at all those songs  
`bout the rambling life, the nights so long and lonely  
Well, I ain't laughin' now  
Now that I'm caught up, it seems  
In all the same ambitious dreams  
That only lonely life allows

And the home I don't go home to  
The friends I don't see  
Aren't the part of this life  
That endears it to me

If that's the price I have to pay  
For doing things my own way  
Then it's what I'll have to do somehow

Till I find my way back to my heart  
For there's no one but me's gonna take my part  
It's too early to say that it's over  
Or to find we can make a new start  
It's too early to say  
Till I find my way back to my heart

I thought at least we'd meet again  
Since we have been the best of friends and lovers to each other  
Meet again and speak our minds  
Force no issues, turn no blind eye  
Toward the road that lies ahead

But it seems that I missed you  
By a coast and a song  
When time gets so short  
"So what?" turns to "so long"

I cannot keep your love inside  
It's a flame I cannot hide forever  
In the name of hanging on

I used to laugh at all those songs  
`bout the rambling life, the nights so long and lonely
