Oh, Atlanta

Alison Krauss

Same old place Same old city What can I do? I'm falling in love I'm just an old hound dog Roaming around, oh Lord I've got all this and Heaven above Oh, Atlanta I hear you calling I'm coming back to you one fine day No need to worry There ain't no hurry cause I'm On my way back to Georgia On my way back to Georgia I get a feeling in me When I remember all those crazy days and crazier nights Can't you hear the music playing? You must have heard them saying We're gonna rip 'em up and light up the night Oh, Atlanta I hear you calling I'm coming back to you one fine day No need to worry There ain't no hurry cause I'm On my way back to Georgia On my way back to Georgia Same old place It's the same old city What can I do? I'm falling in love I'm just an old hound dog Roaming around, Lord, Lord I've got all this and Heaven above Oh, Atlanta I hear you calling I'm coming back to you one fine day No need to worry There ain't no hurry cause I'm On my way back to Georgia On my way back to Georgia Oh, Atlanta Hear me calling I'm coming back to you one fine day, hey No need to worry There ain't no hurry cause I'm On my way back to Georgia On my way back to Georgia
