## **Sawing On The Strings**

## **Alison Krauss**

Way back in the mountains
Way back in the hills
There used to live a mountianeer
They called him fiddlin' Will

He could play most anything
And some say he could sing
But the one thing that he liked to do best
Was sawing on the strings

So get out the fiddle and rosin´ up the bow Look at ol' Will a pattin' his toe
We'll make music til the rafters ring
All that pickin' and a sawing on the string

When the neighbors had a shindig And they all had viddles to eat We'd always have to wait on Will To make the frolic complete

When he comes down from the mountain All the gals began to sway Sometimes he'd pick that ol' 5 string Until the break of day

So tune up the 5 string
Tighten up the hyde
Tell all the hill folks to get inside
All them pickin' and a sawing on the string

So tune up the 5 string
Tighten up the hyde
Tell all the hill folks to get inside
All them pickin' and a sawing on the string
