

# Fuck U Love U

Alison Wonderland

Never sell out  
Find my way out  
In my own lane  
Won't play the game  
I am by myself  
I'm all alone  
I think too much  
Need to switch off

Fuck you, love you  
Hate you, want you  
Fuck you, love you  
Hate you, want you

Roll up, eyes down  
Not mad, just down  
I want the best  
Right now, a test  
I want something  
More than nothing  
More than this time  
Time to define

Fuck you, love you  
Hate you, want you  
Fuck you, love you  
Hate you, want you

(Want you)

Fuck you, love you  
Hate you, want you  
Fuck you, love you  
Hate you, want you

(I don't wanna)

(I don't wanna)
