

# Don't U Say

Alisson Shore

Darling talk to me my baby  
Huh, but there's nothing to talk about  
I know that you need me too  
You've proven wrong  
'Cause it's over (It's over)

Oh Ivy, makakaalis ka na  
Wala na dapat pag-usapan pa  
Palagi lang namang ganito  
Ano ba talaga?  
Say we fine, with your lies?  
Bitch we done, over

Don't say you love me  
You don't even know me  
If you really want me  
Just tell no more lies  
Don't say, don't say (Please stay)  
Don't say, don't say (Please stay) (Oh please stay)  
Don't you say that you love me

Pakawalan mo na yung nakaraan (yung nakaraan)  
Ikaw yung trip na yoko'ng balikan  
Wala daw kinalaman sa'king mga nalaman  
Puros binaliktad ang kwento, pero sila yung nagbaliktaran, ohh

Oh won't you believe it?  
This shit, you ain't worth it  
Why can't you take in your heart  
That city girls just for the weekend  
2 puffs just to ease the pain  
1 for lies, 1 for the blame  
Watchumakulit, stay in your lane  
I'm done with your silly games

Oh Ivy, makakaalis ka na  
Wala na dapat pag-usapan pa  
Palagi lang namang ganito  
Ano ba talaga?  
Say we fine, with your lies?  
Bitch we done, over

Don't say you love me  
You don't even know me  
If you really want me  
Just tell no more lies

Don't say, don't say (Please stay)  
Don't say, don't say (Please stay) (Oh please stay)  
Don't you say that you love me

Wag mo na itanggi (no oh)  
Sati'y 'kaw ang mali? (no oh)  
Sadyang sa sitwasyon ay mapusok ka't malandi (no oh)  
You got nothin' to lose  
Between him or me, you choose  
Ika'y lumayas and so put yourself out in my shoes

Oh won't you believe it?  
My bitch, red handed  
Guess I'm just takin' a piss  
'Cause you just cannot be trusted  
2 shots to relive the pain  
1 for you, 1 for him  
It's insane, what's to gain?  
Things will never be the same

Oh Ivy, makakaalis ka na  
Wala na dapat pag-usapan pa  
Palagi lang namang ganito  
Ano ba talaga?  
Say we fine, with your lies?  
Bitch we done, over

Don't say you love me  
You don't even know me  
If you really want me  
Just tell no more lies

Don't say, don't say (Please stay)  
Don't say, don't say (Please stay) (Oh please stay)  
Don't you say that you love me

Yeah yeah, ohhh  
Oh won't you, don't you say  
Oh won't you, don't you say  
Oh won't you, don't you say  
Oh won't you, don't you say, baby  
You didn't love me, no
