

# Foolin'

Alisson Shore

More splash, more dollar  
Just foolin' away  
With you, with you (woo)

This is Shore  
Ash Wenzday  
PushTrak, lay back  
(Let's go now)

We've been up, all night  
Just foolin' away  
(All night, all night with you  
Never done this thing, never had a clue)

We've been up, all night  
Just foolin' away  
(More lash, more splash, more dollar  
Every second counts when I'm with ya)

Baby, fill me on a daily  
Feed me with your sexy  
Body language, wanting for more

We've been up, all night  
Just foolin' away  
Just foolin' away, away, ayy

Lady, I will take you  
Take you to wherever  
Feelings had desired  
Just hop in on my rover  
No I ain't a smoker  
Chain me, still I'll never  
Leave you I'll be closer, closer 'cause

I do really want you  
You are really special  
Taking it so easy  
Boys giving is so usual

Come and please stay  
With me tonight, tonight, tonight

We've been up, all night  
Just foolin' away  
(All night, all night with you  
Never done this thing, never had a clue)

We've been up, all night  
Just foolin' away  
(More lash, more splash, more dollar  
Every second counts when I'm with ya)

Baby, fill me on a daily  
Feed me with your sexy  
Body language, wanting for more

We've been up, all night  
Just foolin' away  
Just foolin' away, away, ayy

Let us try  
No, you'll never cry  
I could never ever for a second  
Had and made those fuckin' lies

Alibis don't define  
What I sing's a lullaby  
No, physical emotions of you  
Bind and intertwine

This is true, I believe in you  
Girl you had to do  
What you want me to  
Yeah you made it blue

Come and please stay  
With me tonight, tonight, tonight

Just foolin' away  
Just foolin' around  
Come and please stay
