

Sarili Muna

Alisson Shore

But I gotta be strong, girl, you did me wrong
And I thought we were really down
I thought we were down
Now you say you want
And I see what we need, ooh, make up your mind
I thought were gonna be here for long
I'm not gonna be here

Let go, let go, let go, let go
Let go, let go, let go
This is self healing, baby
This is self, healing, baby girl

Sarili ko na muna, bago iba
Maramdaman ko na ako'y mahalaga, yeah, yeah
Hayaan lang sa sinasabi nila, sige na
Basta payapa sa mundo kong mag-isa

'La kong pake sa iyong opinyon
Utak ko nakabakasyon
Araw, araw laging may okasyon
No one, 9 to 5, 'lang obligasyon
'Cause been eating healthy, doing a wheelie
Said no more Adi, soil on my barefeet
Gonna walk the talk on an upbeat
This song's gonna end on a big high key

Turn off the tv, 'cause ayoko ng drama
Buhay ko ay binago, mala-ayahuasca
D-N-D, I'm doing a song
Huwag magulo, I'm in my zone
Who's calling my phone?
M-I-A, both Waiian and Alisson

Ahm, magandang hapon Sir Waiian
Dalawang linggo na po kayong 'di nagrereport sa office
'Yung sick leave niyo po
Lagpas, lagpas na po sa two weeks
Kailan daw po kayo mag-aano, babalik?
Hello sir? Hello sir?
Hello, sir?

When I need help, I'll be there
Earphones mo tiyaka skincare
Do not disturb me in my room
'Til it's 9 in the afternoon
No bitches, kasi bad daw 'yun
Favorite to do when I'm feelin blue
Music sagad ang volume
Kung 'di mo ko gets, that's on you

Self love muna, baby, this time it's true, true
Daily push ups tiyaka good food
'Di lang puro lulu, 'la nang tatalsik na luha
Love, love sa sarili 'di sa iba kinukuha
It's a full time job, I'm working on me
I'm the boss in the clan and the employee

Comfy without your company

Sarili ko na muna, bago iba
Maramdaman ko na ako'y mahalaga, yeah, yeah
Hayaan lang sa sinasabi nila, sige na
Basta payapa sa mundo kong mag-isa

'Cause I'm feelin' somethin', this is self-healing
Used to do the talkin', now I'm ready to listen
Saved from the poison, intoxicated
This is my medicine, music's my
Music's my
Music's my
Music's my
Music's my
Music's my
Music's my medicine
Ooh
She saved my life again

At, 'yung bilin ni Doc Silva anak, ha, 'wag mo kakalimutan
Abilify at Lexapro, once a day lang daw 'yun
Nabanggit niya din subukan mo lang daw
Baka mapusuan mo bagong hobby
Pwedeng sports, o painting, anak
O kaya mag-aral ka ulit maggitara
'Di ba hinihiram mo dati
'Yung gitara ni Kuya Andrew?
Gusto mo daanan natin sila mamaya?
Pero, kahit ano pa gusto mo anak
Ang mahalaga you take your time
Enjoyin mo muna at
Hanapin mo talaga ang magpapasaya sa'yo anak
Alam ko dadating yan sa'yo
Ok, sige, ah, ingat ka palagi anak, ha
Just call me later, ok?
