Alisson Shore

Ikaw ay ibang-iba sa kanila
Natatangi at nag-iisa
Wag na wag ng mag-alinlangan pa
Palayain ang 'yong pangamba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba

Bat ba ganito?
Nahiwagaang para sayo
Di mapinta ang nararamdamaman
Pag ikaw ay katabi ko
'Cause you got me addicted to yo mind
Darling don't you doubt that you're so fine
Like china whoa

Export like ice
The spice to my vice
These are the things that are making me flawless
GPS device
My way is precise
Take 40 and trust it like Moses
Singing it now
I finally allow
Take all of my arrows and bow
And point it down
I swear to God that these are my vows
No will to renounce
Yeah I won't renounce

People been testing us lately
But they cannot break us
We both the ones who will make it
And laugh while they hate on us

Ikaw ay ibang-iba sa kanila
Natatangi at nag-iisa
Wag na wag ng mag-alinlangan pa
Palayain ang 'yong pangamba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba

Sometimes I don't understand where you're coming from
Ooh but I like it
You get me excited
Even when you lie to me lie to me yeah yeah
Girl you my hypnotic hypnotic queen, dah dah du dada

Huwag Kang matakot
Kung sadyang iba
Tingin nila
Di ka nagiisa

Oh I wanna be around for this loving

Can't explain it your expressions give me somethin'
It's you
Girl you changed the way I think about, think about
Changed the way I see it
It's you
Girl it's me and you and the things you do
Don't you worry now I got you

Ikaw ay ibang-iba sa kanila
Natatangi at nag-iisa
Wag na wag ng mag-alinlangan pa
Palayain ang 'yong pangamba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba
Ika'y kakaiba
