

TASTEMAKER

Alisson Shore

'Cause you know I got the taste
Sa simula pa lamang, I was made for this
Being the best, yes
I know that I want it
Deserved what I got
Tinahak ang daang walang makalusot

Ginagaya aking ways
Kitang-kita pano inaning ang stage
Lahat pinanis, yes
I know that I want this
Been playin' like God
We set the trend para lahat makasunod, yuh

Dala-dala ang aking pangalan
San man mapunta
Canada, Thailand, Okinawa
Di maapula
Ali with the crew, 'di duplika
Di mahulaan aking formula

O diba?
Para sakin di lang 'to mahika
Niluwal ng gutom at nanatiling iba
Kahit di swak sa panlasa ng masa
Pag sopistikada, namimili ng tenga

Hiyang sa tao, kahit di magpakilala
Alam ang halaga
Alam mo na 'to
Di na kailangang mag-mura
Para magmukhang astig sa kanta
Pake ko sayo
I'm putting a spark
They follow the glow
I'm leaving a mark
That turns into gold
Turn pain into power
She burnin' like fire
A milli' an hour
I'm in it

'Cause you know I got the taste
Alam nila pag si Ali, time won't go to waste
I'm always ahead, yes
I know that I want this
Won't miss any shots
Kahit na kopyahin
You know you just could not

'Cause you know I got the taste
Taste, taste, taste, taste, taste
'Cause you know we got the taste
Taste, taste, taste
'Cause you know we got the taste
Yeah, yeah, yeah
