Children in Heat

Alkaline Trio

Children in Heat They have no conscience No resistance You gotta see this big reaction No resistance

Cellophane sex, a new way of life With your heart in your throat and the other alive You've been pissin', pissin blood pissin blood for seven days

No resistance No resistance No resistance

Children in heat You can't control them Why I'm running away and away They're always gonna run away

Children in heat You can't control them Why I'm running away

Children in heat Are young little kindle wood I see them burning They all changed their names to Chicago

No resistance No resistance No resistance

Children in heat You can't control them Why I'm running away

Children in heat You can't control them Why I'm running away

Children in heat You can't control them Why I'm running away and away They're always gonna run away

Children in heat You can't control them Why I'm running away
