

Cree

Alkaline

Detta way
Yow countree a our country
Know how eh badness guh
Mhm

War cya bawl cree
Tell craft man seh we full a technique
Mek him feel like seh we good and den a R.I.P
Show up a dem nine-night cah we heart clean
Nuff a dem seh dem a dweet but dem nuh deet like we
Gun dem nuff, a wah dem hear about?
Warrior deh yah too, weh dem here about?
Open up eh tec and mek eh air out
Everybody inna di way dem affi clear out

Like switch duppy bat a flick
Nuh do di bagga lip
Nuh chattin, nuh argue put shot inna dome
Money nuffa dan bogdanovich
And me know some savage weh no gi weh no chance
Bullet a send unno home

Go fi me chappa (yeah)
Suck unno madda (yeah)
We money tall buss eh case yeah
Me link me shotta (yeah)
And get ah tracka (yeah)
Set up a bwoy inna him place yo
Still bad by me lone
See me one a way nuh entourage
Me bad by me own

But now me rollin wid me n***** weh head mad nuh even comb
Couple steppa and couple tecca weh nuh laugh blase di chrome
Wah dem fi do more dan fi drop
Head shot stop di gap
Buss me gun and praise di lawd
Nuh tell me fuck about nuh cop
Dem youth yah cower and dem pussy
But not weh under frock
Man guh circle pon dem block
Watch head a open and guh knock

Caa cya ball cree
Tell craft man seh we full a technique
Mek him feel like seh we good and den a R.I.P
Show up a dem nine-night cah we heart clean
Nuh a dem seh dem a dweet but dem nuh deet like we
Gun dem nuff, a wah dem hear about?
Warrior deh yah too, weh dem here about?
Open up eh tec and mek eh air out
Everybody inna di way dem affi clear out

Juvenile nah go trick me
Step to me wrong how me fi know seh him a pickney?
Me seh one innah di chamba
Trigger finger itchy

Wah dem ah call down ambulance fah?
A hearse him ago waahh!
Betta unno bill
Cya even tek a joke so a betta unno chill
And from dem diss man a gunshot
All me gyal know di drill
Buss it up, buss it up pon dem, buss it up, buss it up pon dem

Caw dis a no conference
Action, aim and squeez
Shot a chap him body up inna fifty piece
Bwoy see him friend a drop and up to now cya believe
Buss it up, buss it up pon dem, buss it up, buss it up
Fi di enemy
Look like seh we only goodly feel
We nave nuh remedy
A rubba pon di grip me press it up send dem a cemetery
Poof and disappear only thing lef a jus di membery, yeah

Dem nuh bad like we
Tell craft man seh we full a technique
Mek him feel like seh we good and den a R.I.P
Show up a dem nine-night cah we heart clean
Nuff a dem seh dem a dweet but dem nuh dweet like we
Gun dem nuff, a wah dem hear about?
Warrior deh yah too, weh dem here about?
Open up eh tec and mek eh air out
Any head inna di way it ago tear out
Anybody inna di way dem affi clear out
