

# State A Emergency

Alkaline

Mo bay  
West end a nuh nobody dem taaa  
Dem pussy dey can't diss we no day  
Me d'even a hackle up me self dawg  
Yo akee walk  
Gimme a light  
Weh dem call down pan dem rifle shot a blam dem  
(Rifle shot a blam dem) ayyy

When bad man go fi bwoy pop it off and fire  
Bullet in a dem head and in a face that wire  
Me say anywhere you could a in a traffic  
March go over with the matic and left the car seat tragic  
We no ramp with bowy pop it off and fire  
This a di life we live and we nah stop fire  
So a anyway a coulda inna office  
Coulida inna church say a prayer  
And go deal with it graphic Wooii

Buss up di mini K and is a blood bath  
Send a killer fi bury the pussy caa him love talk  
Full up a chat and dem nuh have di tuff heart  
Me see gyal wicked than uno dem nuh bad bloodclaat  
Go fi dem infront a popo  
Me affiliate with murderers weh loco  
And me will kill you fast or in a slow mo  
12 gauge blow you chest den send fi zozo  
Aye falcon guns out, man nah stop clap it  
Bullet buss him head him  
Drop a grung dem a sop sop it  
Have shot can't done plus extra clip inna back pocket  
Burn murderer me wave me gun and me flash ratchet  
But me prefer knock knock it  
Bruck shoulder and fracture it  
Blood a leak out dem say rush him go a di  
Doctor quick  
Use a gyal and draw him out  
The killer dem have tactics  
Frighten fi pussy tun idiot  
When dem see fat crotches  
Dark clouds everywhere me go me wish uno try test  
Gego with the XD give them bullet fi digest  
Brain, marrow, and blood splatter every  
Where left dem life less kill bwoy go me yard fresh up get me night  
Rest me shot dem go direct  
A who a fool dem  
Me thugs got e ugly Thompson fi cool dem  
Buss E slr loud up e mugen  
Man a duppy every thing weh nuh dey with the movement

Nah laugh when man go fi bwoy pop it off and fire  
Bullet inna dem head and inna face that wire  
Me say anyway a coulda inna traffic  
March go over with the matic and leff the car seat tragic  
We nuh ramp  
With bwoy pop it off and fire  
This a di life we live and we nah stop fire

So a anyway a coulda inna office  
Coulda inna church say a prayer  
And go deal with it graphic Wooii

Gwaan shub up yuh turtle neck  
And see if ano dirt you get  
Dead like you bredda only thing  
Say a worse you get  
Lawd nah have no mercy  
And me nah talk merciless  
Think in you head  
Before you chat, watch the words you mek  
Mind me mek forensic dem pick up yuh body  
Wonder wah you do and who you diss fi dead so badly  
Think you know me, you dead wrong  
Me ano nice smaddy  
Murder bwoy and we nuh sorry  
Run the street cut life E cabby  
Infront a popo  
Me affiliate with murderers weh loco  
And me will kill you fast or in a slow mo  
12 gauge blow you chest den send fi zozo  
Send a nedda shooter easy  
Me kill dem youth ya  
From dem start di war a dey so dem dash  
Weh dem future  
Harmed and dangerous  
Mighty me super  
Dem say dem a bad man  
Me find out that is just a rumour

When badman go fi bwoy pop it off and fire  
Bullet in dem head and inna face that wire  
Me say anyway a coulda inna traffic  
March go over with the matic and leff the car seat tragic  
We nuh ramp  
With bwoy pop it off and fire  
This a di life we live and we nah stop fire  
So a anyway a coulda inna office  
Coulda inna church say a prayer  
And go deal with it graphic Wooii

Oosh move full torch you done know how the thing go, detta life  
De with the warer a hang out, just me and mi dag dem and mi clip  
Tell some pussy stop run up them lip  
Lock off hush up, wa dem feel like, torture never stop nothing nuh change
