

# If You Want Me

All 4 One

I've never felt this way before  
Girl everytime i see you  
My heart hit the floor yea  
So beautiful what can i say  
You're my sunshine on a cloudy day

You have everything i need  
And there is nothing more  
That i could ever want  
If your love is for sure  
Girl i wantcha all the time  
I keep giving you all the signs  
Oh i just really need to know

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?

I need to know what's on you mind  
'cause you know i'd do anything  
To make you mine  
I wanna be the only one  
To keep you feelin' good all the time

Well you can tell me anything  
And i will be alright  
But girl just stop pretending  
I can't live a lie  
But, girl you put me on this high  
And i hope you realize  
That i only wanna be your man

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?

If only you take this chance i promise you  
I won't let you down  
Girl i (girl!), i could be there for you  
If you want me  
Gotta tell me what's goin on

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?

If you want me baby let me know and  
If you need me then you got to  
Let your love show  
When you do what you do  
I can't help loving you  
Girl you need to let me  
What's goin' on? what's goin on?
