

Let Me Go Home

All About Eve

I have flowers in my garden
You have never seen
The devil grows his blood red roses
Just for me

And I know that nothing lasts forever
So this can't last forever
Give me your deadline
Tell me the time
Won't you please
Let me go home?

Days of sunshine
Is this all mine?
So ungrateful now
Sang my own song done nothing wrong
I wouldn't know how...
