All But 6

MTM, hit 'em with the heat

Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to—

How can I sleep when I got everyone countin' on me?
Get to the bread like a bitch on her knees
But I don't bend mine, fuck the pledge of allegiance
My knees bleeding from crawling, dodging the cops and the coffi
ns
I'm paranoid more often these days from the violence I'm watchi
ng
Baby Bone, I've been traumatized, don't let it slip through my
mind
Ho, don't go living on lies, the reaper can see through your ey
es
Take lives with TEC-9s, ALL BUT 6 until my day dies
That Florida boy, don't play 'bout mine, yeah

Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to—

Sleep with one eye open, paranoia been consumin' me
Don't know how to feel, when I'm becomin' who I hate to be
Who am I to judge when I become my own worst enemy?
Found myself a home, it's ALL BUT 6 for all eternity
The clock's ticking, my soul is still in the urgency
Runnin' inside the dirt, the grave wishin' for me to murder me
Miserably waitin' for happiness to come set me free
No need to wait, I just have to accept eternally

Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to blame? (Ayy), I love switching lanes (Yeah)
I love when it rains (Yeah), take away my pain (Ayy)
Who am I to blame? (Ayy), I love switching lanes (Yeah)
