

ELEVATE

All But 6

[:Lu]

Bitches, bitches, bitches (Woo)
Bitches, bitches, bitches, bitches (Yeah)
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, woo, woo, oh, ayy, ayy, ayy, ayy

Ayy, what you say?
I can't see you, boy, the money in the way
I'm from (Huh?), outer space
Red beam on his head, make the pussy levitate
Elevate, elevate, elevate
Elevate, elevate, elevate
Elevate, elevate, elevate
Elevate, elevate, elevate

This that- (Err, wha?) Draco go ahead and drop 'em
Perky, Xanny, keep some molly, it's a party, pop 'em
Hellcat skrrtin' [?]
Keep that Tonka full of bitches, got 'em geekin' on some'
My bitch, she bad, about it, blue up in my wallet
ALL BUT 6 'til the grave, keep the money callin'
I got bitches on me, they wanna suck and fuck me
Why they hatin' on me? I got [?] on me

Everybody love me, they supportive now
They just thought that shit was way too hot, got it sorted out
You can't get like me, huh, [?], huh
College girls like me, put they tuition on my teeth, huh
Left wrist, right wrist, necklace froze
Lay him on his porch, watch that pussy boy fold
You could never kill me, baby, don't you know I'm chosen?
She channel the spirit when she put it in her nose (Drugs)

Bet all of these bands'll make your bitch's booty bounce, uh
I just spent a ten-piece just to glisten when I smile, uh
Switches on them sticks gon' rip yo' tummy inside out, uh
Watch his body drop and let his soul lift off the ground, uh
Sex, gunnin', revenge, murder, death, what I'm 'bout, uh
Oh, you bulletproof? That's some shit that I doubt, uh
My lil' bitch a brat, show that dick what she 'bout, uh
Don't like what I'm sayin'? Here's some dick for your mouth, uh

Ayy, what you say?
I can't see you, boy, the money in the way
I'm from (Huh?), outer space
Red beam on his head, make the pussy levitate
Elevate, elevate, elevate
Elevate, elevate, elevate
Elevate, elevate, elevate
Elevate, elevate, elevate
