

I don't feel right about it now

Baby's stepping out of the woods  
It rattled all the nerves  
Probably more than it should  
It's less than you deserve  
Shaking hands in the dark  
It happens all the time, and I don't feel so good  
Take you home to fix you up  
Just need to sit and dry  
Watch you talk to the books  
They know you more than I  
Exchanging hands in the dark  
They pass on who you are  
And what you've meant to me

They treat me like a summary patient  
Let me burn on the pavement  
Waiting my turn all year  
Got me thinking I was somebody's savior  
Out on behavior, unpacking what got me here  
Instead I'm sitting parked on the sidewalk  
Yelling at mall cops  
Me I'm the small talk king  
Leaning like a drunk on a lamp post  
Nobody knows though  
No one addresses me  
And I don't feel right about it now

Start the day without the alarms  
It tracks with who you are  
Not to break both arms  
They're sleeping though you're not  
Wake and sum up the night  
Did anything get said that I can never hide?  
Pushing through a wounded response  
You whimper every vowel  
Felt the world close out  
You're speaking now to actual  
It's a blur, it's a blur  
Your heart is known to fact  
Most of us intact  
Some of us still not

They treat me like a summary patient  
Let me burn on the pavement  
Waiting my turn all year  
Got me thinking I was somebody's savior  
Out on behavior, unpacking what got me here  
Instead I'm sitting parked on the sidewalk  
Yelling at mall cops  
Me I'm the small talk king  
Standing like a drunk on a lamp post  
Nobody knows though  
No one addresses me  
I don't feel right about it now  
I don't feel right about it now

I don't feel right about it now  
I don't feel right about it now

They treat me like a summary patient  
Let me burn on the pavement  
Waiting my turn all year  
Got me thinking I was somebody's savior  
Out on behavior, unpacking what got me here  
Instead I'm sitting parked on the sidewalk  
Yelling at mall cops  
Me I'm the small talk king  
Standing like a drunk on a lamp post  
Nobody knows though  
No one addresses me  
I don't feel right about it now  
I don't feel right about it now  
I don't feel right about it now
