

The EC

All Get Out

This is all I want to learn here
Lessons and not pretending
I'm... well everything's okay

This is it
My ride ends here
I've learned what not to do ever...
Ever again

Bus stop
Let me off here
Here's a few bucks for the ride
Cause it's all you're asking for

Stop stop, baby
Stop. Pull over for me
Stop, baby

Stop this bus
I'm going to throw up
God, lady please stop this bus

Oh clear these aisles
I'm running through
Thanks for the ride
Look at me go

Stop stop, baby
Stop. Pull over for me
Stop, baby

Stop stop, baby
Stop. Pull over for me
Stop, baby
