

Contempt Be Thy Faith

All Out War

Hide within the light, cower end complete
Find comfort in the flames
Beyond the veil of sleep

Morbid, wretched
Illusions in decay
Empty, desperate
Contempt be thy faith

Arise, vengeance
Arise, sever
Clawing, tearing
Adrift among the flies

Shallow, barely breathing
What it means to be alive

Morbid, wretched
Illusions in decay
Empty, desperate
Contempt be thy faith

Hide within the light, cower end complete
Find comfort in the flames
Beyond the veil of sleep
