

Septic Infestation

All Out War

Vile agenda, enemies of the truth
Divide, segregation, system of abuse
Clinging onto corpses, keep the lies of the dead
Offer us confusion, merchants of the flesh
Inherit degradation
Nails that stand get knocked down
Invent confrontation
Show dissent, get forced out
Get forced out
Savage aggression, policies of war

Terror, extermination
Casualties for their cause

Ingest paranoia
The blind shall lead the blind
Septic infestation
The devil knows your kind
Ingest paranoia
The devil knows your kind
Ingest paranoia
The devil knows your kind
The devil knows your kind
