

Do Me

All Saints

Come on!

Yo this guy's got me forgetting who I am
Girl he makes me act crazy
When he comes around
He makes good conversation
That's not why we get down
Don't need him spending on me
That's not what it's about

It's not who you are why I'm all over you
Got me clicking round in my Jimmy Choos
It's not usual that I act this way
But the way you do boy
What can I say?

It ain't the cars or the money at all
It's the way you do me
Come on!
It's my old man that's calling it love
It's the way you a-yo

He makes me feel special
When we're all alone
He takes the time out proper
To hit that perfect zone
Trust me I can't have fun
'Cos if he doesn't call
My God he's so addictive
Like drugs and alcohol

It's not who you are why I'm all over you
Got me clicking round in my Jimmy Choos
It's not usual that I act this way
But the way you do boy
What can I say?

It ain't the cars or the money at all
It's the way you do me
Boy it's the way that you rev, do it, do it
It's my old man that's calling it love
It's the way you a-yo
Loving the way you a-yo

It ain't the cars or the money at all
It's the way you do me
Boy it's the way that you rev, do it, do it
It's my old man that's calling it love
It's the way you a-yo
Loving the way you a-yo
A-yo, A-yo, A-yo

Yo this guys got me forgetting who I am
He makes good conversation
That's not why we get down
Can't eat, can't sleep
Boy don't know what I'm doing

Don't know what it is but the way
That you touch me b-boy I lose it
Can't eat, can't sleep
Boy don't know what I'm doing
Don't know what it is but the way
That you touch me b-boy I lose it

It ain't the cars or the money at all
It's the way you do me
It's my old man that's calling it love
It's the way you a-yo

It ain't the cars or the money at all
It's the way you do me
Boy it's the way that you rev, do it, do it
It's my old man that's calling it love
It's the way you a-yo
Loving the way you a-yo
