

Hear the Sound

All Sons & Daughters

God of mercy, full of grace
You are forever, always forever
Slow to anger, rich in love
You are forever, always forever
We hear Your kingdom shout
And all Your praises reign

So let the heavens roar
Echo across the ground
And as Your people sing of Your majesty
Lord hear the sound
Lord hear the sound

God of mercy, full of grace
You are forever, always forever
Slow to anger, rich in love
You are forever, always forever
We hear Your kingdom shout
And all Your praises reign

So let the heavens roar
Echo across the ground
And as Your people sing of Your majesty
Lord hear the sound
Lord hear the sound
[x2]

Everyone, everyone
Everyone, everyone
Everyone
You forgive, You forgive
Everyone
You restore, You restore
Everyone
You redeem, You redeem
Everyone

Everyone
You forgive, You forgive
Everyone
You restore, You restore
Everyone
You redeem, You redeem
Everyone

So let the heavens roar
Echo across the ground
And as Your people sing of Your majesty
Lord hear the sound

So let the heavens roar
Echo across the ground
And as Your people sing of Your majesty
Lord hear the sound
Lord hear the sound
