

This My Inheritance

All Sons & Daughters

This, my inheritance
Will never spoil or fade
Until he comes, my salvation
In heav'n kept by faith

This, my inheritance
God's power will be its shield
Through Jesus Christ, the only light
By which it is revealed

All praise, all praise, all praise be to God
Always, always and forever
All praise, all praise, all praise be to God
Always, always and forever

This, my inheritance
Through suffering and trial
More worth than gold, our only hope
In faith our song will rise

All praise, all praise, all praise be to God
Always, always and forever
All praise, all praise, all praise be to God
Always, always and forever

As it was in the beginning
Is now and ever shall be
A world without end, Amen
As it was in the beginning
Is now and ever shall be
A world without end, Amen

This my inheritance
That none can take away
Not even death, with my last breath
I'll see my Saviour's face

All praise, all praise, all praise be to God
Always, always and forever
All praise, all praise, all praise be to God
Always, always and forever
All praise, all praise, all praise be to God
Always, always and forever
