

Drive

All Star United

I don't mean to pry
But I'm seeing signs I can't ignore
You've been holding something deep inside
And I can't keep quiet anymore
Of the urgency, I'm well aware
I'll take you anywhere
If you're dissatisfied

Chorus:

Let's just drive
Take a deep breath and I swear
Everything will be alright
Let's just drive
Until it gets us somewhere
Even if it takes all night
Let's just drive
I know you thought we were the same
We're two different kinds
I've been following a narrow lane
You follow yours where it winds
Now it's time to get in gear
I'll take you far from here
If you're dissatisfied

Repeat chorus

Bridge:

Let's just roll, away tonight
Let's just roll away until we get it right
Let's just drive

Repeat chorus
