

I Wish It Could Be Christmas Everyday

All Star United

When the snowman brings the snow
Well he might just like to know
He's put a great big smile on somebody's face
And if you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on his way

Well I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh I wish it could be Christmas everyday
So let the bells ring out for Christmas

When we're skating in the park
If the snow cloud makes it dark
Then your rosy cheek's gonna light my merry way (My merry way)
Now the frosty paws appear
And they've frozen up my beard
So we'll lie by the fire
'Til the sleet simply knocks 'em all away

Well I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh I wish it could be Christmas everyday
So let the bells ring out for Christmas

When the snowman brings the snow
Well he just might like to know
He's put a great big smile on somebody's face
And if you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on his way

Well I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh I wish it could be Christmas everyday
So let the bells ring out for Christmas

Why don't you give your love for Christmas
