

## Put Your Arms Around Me

All Star United

I heard it from a friend  
Who heard it from another  
She said she liked the way  
I smiled at You in Monterey

I have more highs than lows  
And we could add them up  
But we'd be running out of fingers and toes  
Oh well, on good days  
That's usually the way it goes

But tonight I'm so lonely  
Just put you arms around me  
And tell me that you love me so much  
I'm tired of seeking slowly  
Lately I've been crazy  
Maybe I'm just getting out of touch  
Now I'm holding on  
'Till the night is gone

I'm an average guy  
But people like to have their heroes  
I'm seldom nervous  
Dry or shy  
And usually it always shows

Until this feeling goes away  
Until I get the needed dose  
Until You put Your arms around  
And hold me close
