

# You Can't Fill My Shadow

All That Remains

I think I know you  
I think I've seen you before  
Don't think you know it  
But I know that you're a joke

You're so impressed with all the filth that I abhor  
You spineless coward  
You know you're worthless  
You whore

I want the world to know how spineless and fearful you are  
Want all your loved ones to be there just to see you fall  
I hope that I can be the reason you wear your scars  
I want the world to know how spineless and fearful you are

I think you know this  
I think it eats you inside  
I bet your nightmares are better than your real life

You point the finger but when I look in your eyes  
I see you weakness and know your life's a life

I want the world to know how spineless and fearful you are  
Want all your loved ones to be there just to see you fall  
I hope that I can be the reason you wear your scars  
I want the world to know how spineless and fearful you are

You will never fill my shadow  
No, you can't fill my shadow  
You will never fill my shadow  
You will never fill my shadow  
No, you'll never  
No, you'll never  
No, you can't fill my shadow  
No, you'll never  
No, you'll never

You'll try to fill my shadow  
No, you'll never  
No, you'll never

Boy, you can't fill my shadow  
No, you'll never  
No, you'll never

Boy, you can't fill my shadow  
No, you can't fill my shadow  
You will never fill my shadow  
No, you'll never  
No, you'll never
