

# Bad Enough For You

All Time Low

No, I won't call you baby  
I won't buy you daisies  
Cause that don't work  
And I know, how to get you crazy  
How to make you want me  
So bad it hurts

I wanna be good, good, good to you  
But that's not, not, not your type  
So I'm gonna be bad for you  
Tonight, tonight, tonight

I'll misbehave if it turns you on  
No Mr. Right if you want Mr. Wrong  
I'll tell you lies  
If you don't like the truth  
I don't wanna be bad  
I just wanna be bad enough for you  
Well, I just wanna be bad enough for you  
Well, I just wanna be bad enough

Hey, thanks for the number  
I'm not gonna call you  
'Cause that won't work  
You like to play hide-and-go-get-her  
You like me better when I play the jerk

I wanna be good, good, good to you  
But that's not, not, not your type  
So I'm gonna be bad for you  
Tonight, tonight, tonight

I'll misbehave if it turns you on  
No Mr. Right if you want Mr. Wrong  
I'll tell you lies  
If you don't like the truth  
I don't wanna be bad  
I just wanna be bad enough for you  
Well, I just wanna be bad enough for you  
Well, I just wanna be bad enough

You love to hate me when I'm chasing you  
And I hate to say this but I'm stuck on loving you  
So I pretend that I don't care  
I'll stand you up to keep you here  
I'll make you hate me just enough to make you want me  
I'll misbehave if it turns you on  
No Mr. Right if you want Mr. Wrong  
I'll tell you lies  
If you don't like the truth  
I don't wanna be bad  
I don't wanna be bad  
I don't wanna be bad  
I just wanna be bad enough for you  
Well, I just wanna be bad enough for you  
Well, I just wanna be bad enough
