Bail Me Out

All Time Low

What can I say?
I fucked this up again,
What can I do?
I took it out on you,
I run around and make,
A mess of everything,
I made a big mistake,
And now I'm wondering,

Would ya,
Bail me out if I need it,
(Oh oh oh oh)
Help me down,
Will you catch me when I fall,
Another night I'm out here wasted,
Another night you've gotta take my call

Would ya,
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Say are you gonna take my call?

So listen up,
I know I'm out of line,
Just settle down,
You know it's gonna be alright,
Please come around and get,
Get me out of here,
Just take me far away,
I really wanna disappear,

Would ya,
Bail me out if I need it,
(Oh oh oh oh)
Help me down, would you catch me when I fall,
Another night I'm out here wasted,
Another night you've gotta take my call

Would ya,
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Are you gonna take my call?

Don't stop, ready or not,
It's such a long way, away from the top,
And I know,
That you'll be there to catch me if I stumble down this road,

[x2:]

Would ya,
Bail me out if I need it,
(Oh oh oh oh)
Help me down, will you catch me when I fall,
Another night I'm out here wasted,
(Oh oh oh oh)
Another night you've gotta take my call

Would ya,
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Bail me out,
(Oh oh oh oh)
Say are you gonna take my call?

[Spoken:]
Look I know I shouldn't be calling at 3am but I need you to get me the fuck outta here, this place is crazy

Wooo
