

## [cold open]

All Time Low

Here's the cold open  
The record intro  
A few years of trauma and magic  
Tied up with a string and a bow

A range of emotions  
Oh, the places we'll go...  
Will it end happy or tragic?  
Just sit back and enjoy the show...

I'll see you again when the curtain is falling  
So happy to be here  
Everyone's talking!
