

# Monsters

All Time Low

Why do all the monsters come out at night?  
Why do we sleep where we want to hide?  
Why do I run back to you, like I don't mind if you fuck up my life?

Another day, 'nother headache in this hangover hotel  
Gettin' used to the rhythm, yeah, I know this beat too well  
Tunnel visions got me feeling like you're the only one I see  
But I know what's missing when I'm swimmin'  
In my lonely luxury

I'm wondering why do all the monsters come out at night?  
Why do we sleep where we want to hide?  
Why do I run back to you, like I don't mind if you fuck up my life?  
Why am I a sucker for all your lies?  
Strung out like laundry on every line  
Why do I come back to you, like I don't mind if you fuck up my life?

I'm addicted to the way you hurt, the way you contradict me  
I swear everything look worse at night, I think I'm overthinking  
I don't care who I might hurt along the way, I'm fuckin' sinking  
Into every word, I don't care if you're lyin' when I'm drinking  
So, tell me pretty lies, look me in my face  
Tell me that you love me, even if it's fake  
You can lead me on and leave these questions in my sheets  
I'm under it, I made my bed and I'm still wonderin'

I'm wondering why do all the monsters come out at night?  
Why do we sleep where we want to hide?  
Why do I run back to you, like I don't mind if you fuck up my life?  
Why am I a sucker for all your lies?  
Strung out like laundry on every line  
Why do I come back to you, like I don't mind if you fuck up my life?

Thinkin' about you, you're in my head  
Even without you, I still feel dead  
Why do I run back to you, like I don't mind if you fuck up my life?  
Dead, thinking about you, you're in my head  
Even without you, I still feel dead  
Why do I run back to you, like I don't mind if you fuck up my life?

I'm wondering why do all the monsters come out at night?  
Why do we sleep where we want to hide? (Hide)  
Why do I run back to you, like I don't mind if you fuck up my life?  
Why am I a sucker for all your lies?  
Strung out like laundry on every line  
Why do I come back to you, like I don't mind if you fuck up my life?  
(Fuck up my life)

Like I don't mind if you fuck up my life
