

# My Only One

All Time Low

Paint yourself a picture, something perfectly obscure  
To hide away the messes behind your manicure  
And all of my obsessing to find the perfect words  
Sick of second guessing, I didn't mean to make you hurt  
Didn't mean to make you hurt, hurt hurt

What do you say when your heart's not in it, your heart's not in it?  
What do you do when you just don't get it, you just don't get it?  
Where do you go when you reach your limit, you reach your limit?  
'Cause all I know, all I know is  
You are my only one, you are my only one  
You are my only one, that's all I know, you're all I know

Break another mirror to keep away the stares  
Of another guilty reflex, a reflection left in tears  
And all of my obsessing, tell me what was it worth?  
Guess I should have learned my lesson, I didn't mean to make you hurt  
Didn't mean to make you hurt, hurt, hurt

What do you say when your heart's not in it, your heart's not in it?  
What do you do when you just don't get it, you just don't get it?  
Where do you go when you reach your limit, you reach your limit?  
'Cause all I know, all I know is  
You are my only one, you are my only one  
You are my only one, that's all I know, you're all I know

Wake me, early I've been dreaming  
Dreaming that I'm only, only good enough for me and no one else  
So wake me, early I've been dreaming  
Dreaming that I'm only, only good enough for me and no one else

What do you say when your heart's not in it, your heart's not in it?  
What do you do when you just don't get it, you just don't get it?  
Where do you go when you reach your limit, you reach your limit?  
'Cause all I know, all I know is  
You are my only one, you are my only one  
You are my only one, that's all I know, it's all I know  
You are my only one, you are my only one

You are my only one, that's all I know, you're all I know
