

Animal

All We Are

I used to live with walls around me
I was living in a cage
But not anymore
Not anymore

And every minute would last a lifetime
And every second was a day
But not anymore
Not anymore

Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh, oh, ooh, oh-oh

And every noise was the sound of laughter
And every whisper was a pain
But not anymore
Not anymore

And as the walls would close around me
I was living in a race
I want you to know
I'm an animal

Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh, oh, ooh, oh-oh

I can turn
I'm just walking down that road
And break it down and move
Do you
Knock that out today?
And I got mornings, I got weekends

I used to live with walls around me
I was living in a cage
But not anymore
Not anymore

And every minute would last a lifetime
With every little bit of shame
I want you to know
I'm an animal

Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh
Oh, oh, ooh, oh-oh
