

Cardhouse

All We Are

You were living like the rest of many
You were living like the end of had it all
You were living like the house of cards that falls that falls t
hat falls
Push it over but keep it steady
Oh my lo-o-o-o-o-ove, lo-o-o-o-o-o-o-o-ove, lo-o-o-o-o-o-o-o-ove
You were closed to the East already
Even closer that the words will make it see

Lay back and hurry me over
Oh my lo-o-ove, lo-o-o-o-o-o-o-o-ove, lo-o-o-o-o-o-o-o-ove
Your touch, begins, your skin wrapped around me
Your eyes go deep, cardhouse falls around me
Oh my love, your cards go surround me
