## All We Are

I thought I knew  
But I don't know  
I was searching for something  
But I let go

What is the truth?  
When I don't know what's fake?  
And I don't even know  
If I can live this race  
I don't know

I thought I knew  
But I don't know  
I was searching for something  
But I let it go

What the fuck is the truth  
When I don't know what's fake?  
And I don't even know  
If I can live this race  
I don't know

What's truth?  
What lies?  
What lies beneath?  
What cries?  
Are you a human?  
Are you a human because your tears won't dry

Are you a mess?  
Are you alive?  
Are you a mess?  
Are you alright?

Are you human?  
Because you're dry, because you're dry, oh

Are you a human?  
Are you a human?  
Because you feel your eyes won't dry  
Because you feel your eyes won't lie

Are you a human?  
Are you a human?  
Because your eyes don't dry  
Because your tears feel light

Are you a human?  
Are you a human?  
Because you feel your eyes won't dry  
Because you feel your eyes won't lie

Are you a human?  
Are you a human?  
Because you know I'm shit  
All the shit you've seen

Are you a human?  
Are you a human?  
Will you let it get you down?  
Will you let it get you down?  
Yeah you will, 'cause you're a human
