

Waiting

All We Are

I don't care anymore
I am the ghost in the hall
I'm still waiting
I'm still waiting

You're a moment
When I hope things fall
We left naked
I'm still waiting

I don't care anymore
I am a sheep for sure
I'm still waiting
I'm still waiting

And there's nothing that we can't see
Nothing left to believe in
I'm still waiting
I'm still waiting

Oh, oh, oh
Oh, oh, oh
Ooh, ooh, ooh
I'm still waiting
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
I'm still waiting
Lord knows I'm still waiting

I don't care anymore
I need something to live for
Come and find me
I'll be waiting

Let it all in a wave crash down
Under living proud
I'm still waiting
I'm still waiting

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
I'm still waiting
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
I'm still waiting
Lord knows I'm still waiting

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
I'm still waiting

I don't care anymore
I don't care anymore

I'm still waiting
