

Until Then

All

can't wrap my arms around the pictures in my head i've still got
a ways to go i'm always gone so we talk on the phone when i hang
up me and my hang-ups are all alone until then i'll pretend
until then i promised you i wouldn't bend until then i'll spend
my time waiting until then and how about you can you promise
me you'll wait we've still got a ways to go temptation rules the
earth and i'm no perfect saint my insecurities and love will
have to wait until then i'll pretend until then i promised you
i wouldn't bend until then i'll spend my time waiting until then
we're not the first to try we're not the last to fail but i know
we can succeed we've got to hold it up or it will fall until
then i'll pretend until then i promised you i wouldn't bend
until then i'll spend my time waiting until then waiting until
then waiting until then
