

## Holding Pattern

Allah-Las

Holding pattern  
Found a place in the shade  
For all your yesterdays  
Holding pattern  
Madame lost in the haze  
Of her endless holidays  
Don't hold back now  
No you can't hold back now  
Holding pattern  
Hold your hands when you pray  
And await to turn the page  
Holding pattern  
No more years to explain  
No more years to explain...
