Allah-Las

Time after time, girl  
Like Daedalus' child  
You wasted your mind, girl  
You had to be wise  
Now I see that you're lost  
I gotta pain for you  
Don't think 'bout what you've done  
But what you can do  
Time flies when you're having fun  
But where does it go?  
You flew too close to the sun  
Now you just don't know

I can't believe the things you say  
You couldn't mean them anyway  
You tried to give me a run-around  
But I ain't gonna let you run my town, no  
I can't believe the things you say

Time after time, girl  
Like Daedalus' child  
You wasted your mind, girl  
You had to be wise  
Now I see that you're lost  
What's you gotta do?  
Those t's you left uncrossed  
Are coming back to you  
Time flies when you're having fun  
But where does it go?  
You flew too close to the sun  
Now you just don't know
