

## Beverly

Allan Rayman

Oh-Oh-Oh  
She can't do wrong by your friends  
They fight for attention  
And when it all falls apart  
She blames it on them and then they start again  
Pleased to pay no mind  
Gets the head all the time  
I give her cold shoulder 'cause she always plays it cool  
She only talks back sometimes  
When my back stays turned to her  
Catch the girl slipping, yeah  
Looking at the boy, but my back stays turned to her  
This girl only wants what she can't have  
I am the world to her  
Funny how I am the world to her

Beverly Hills girl  
Cruella de Vil  
Oh, she's so perfect, sure  
It's not good enough for her
