Allan Rayman

I'm always high and mighty, then I fall
The king of hearts, the queen of spades
Has left her mark, I can't behave
No

And I change, just like a leaf
And I fall, just like a leaf
And I lose, but losing doesn't mean I lose you
Ooh, ooh-ooh-ooh

I'm always high and mighty, then I fall
Now I can't behave and I can't be held responsible
Not this time (Impossible)
I will change, just like a leaf
And I fall, just like a leaf
And I lose, but losing doesn't mean I lose you
Ooh, ooh-ooh-ooh
