

Double Cigarette

Allan Rayman

You're so cool
Hey ha ha ha ha
You're so cool
Hey ha ha ha ha

It's a double cigarette occasion
It's another kind of conversation
When the talk is cheap and every sentence is a tip toe to fornication
I love how you lick your lips bite your lip hand on your hip
You're so quick to pass judgement
I ha ha ha hey

Hey
I can't hold my tongue my mouth wants to run
Skin shows too much fun
Lips have just begun

Hey ha ha ha ha
You're so cool
Hey ha ha ha ha
Ha ha ha ha
You're so cool

Cold shoulder form the interest
Saw me out with the red dress
Wolves start to circle howling
I'm preying on a sunset
It's a blood moon
People circle in a dark room
Mind manipulating bent spoons
I'll bend you forget all about what we've been through

It's a double cigarette occasion
It's another kind of conversation
When the talk is cheap and every sentence is a tip toe to fornication
I love how you lick your lips bite your lip hand on your hip
You're so quick to pass judgement
I ha ha ha hey

I can't hold my tongue my mouth wants to run
Skin shows too much fun
Lips have just begun

You're so cool
Hey ha ha ha ha
You're so cool
You're so cool
You're so cool
Hey ha ha ha ha
You're so cool
ha ha ha ha
You're so cool
You're so cool
Hey ha ha ha ha
You're so cool
You're so cool
You're so cool
You're so cool

Hey ha ha ha ha
Ha ha ha ha
You're so cool
