

Hello To Me

Allan Rayman

Cigarette in hand, I stand head in my hand
I'm as soft as I'll ever be

I am attractive, I am unknown
You are surrounded, I am alone
Soft as I'll ever be
Come say hello to me
I can like you, I'm not like you
You hang around

You stare through your hair, full house to my pair
You got me beat, babe, you got me beat, babe

I am attractive, I am unknown
You are surrounded, I am alone
Soft as I'll ever be
Come say hello to me
I can like you, I'm not like you
You hang around

I can like you
Hang around with boys
Who take as much time as you in the bathroom
Smell just like you, I'm not like that
I'm not like you, I can like you
Hang around with boys
Who take as much time as you in the bathroom
Smell just like you, I'm not like that
I'm not like you, I could like you

B-b-babe, babe
I mean I could really like you
Really like you
