Allan Rayman

Insecure (She's so)  
Insecure (So she)  
So she posts more  
She's an attention whore  
I think she's immature  
Immature

She thinks she knows it all  
Shows it off, I can't keep up  
I guess I'm insecure  
I'm so insecure  
I'll wait 'til she grows up  
Two years is not enough  
Immature  
Insecure

Well, double bubble  
I found a girl as sweet as sin (As sweet as sin)  
She bakes my noodle, I go crazy  
The skin I'm in starts to crawl  
I think out loud about  
What I would do to you  
What I would do for you  
I meant to say  
Love is the strangest thing

I want to love you, love you  
I wanna love you, love you  
I want to love you, love you  
I want to love you  
But I am so immature, you're so insecure  
I wanna love you, I do  
I want to love you, love you  
I want to love you  
You're so insecure, but you're so insecure  
You're so insecure, but you're so insecure  
You're so insecure, but you're so insecure

She's an attention whore
