Rose2

Allan Rayman

Hey Rose, it's nice to meet you
I've been a fan for a long damn time
I know, don't mean to scare you
Just need a second of your time

Oh, but love might make me bad tonight
Oh, love might make me bad tonight

Come on, Rose
Don't you get me? Don't you, Rose?
Please, come on, Rose
Won't you let me take you home?
Love might make me bad tonight
Love might make me bad tonight

Hello Sir, it's nice to meet you
I'm just caught off guard
Sounds nice, can't tonight
But let's get a picture I can sign

Come on, Rose
Don't you get me? Don't you, Rose?
Please, come on, Rose
Won't you let me take you home?
Oh, well, love might make me bad tonight
Uh, oh, well love might make me bad tonight
(Love, love, love, love, love, love, love, love, love, love)

Keep waiting for tears
It's been a year and not a damn thing's changed
I couldn't say hi last time
That's why you don't remember me, baby, ba-
I only wanna talk and maybe touch
If you can let me touch, baby, ba-
Just a second of your time
But never mind, I don't want to scare you

Ooh, oh, oh, won't you let me take you home?
Oh, well love might make me bad tonight
Love might make me bad tonight, uh
Well, love might make me bad tonight
Love might make me bad tonight
