

Used To Be

Allan Rayman

This business got me stressed out
I'm stretched beyond my means
I've grown used to a new life forever out of reach
I met a girl
She's really very sweet

I used to be a freak
I used to be a dog
I used to like the ugly ones
Cause they could give a job
I used to hit it raw
I used to be a dog
I used to be I used to be I used to be a dog

She tears my heart out and that's a fucking fact
She tears my heart out
And she runs away with that
She tears my heart out
I hope she never brings it back

This business got me stressed out
I'm stretched beyond my means
I've grown used to a new love
She keeps me nice and clean
I love my girl
She keeps me in between
I met a girl

I used to be a freak
I used to be a dog
I used to like the ugly ones
Cause they could give a job
I used to hit it raw
I used to be a dog
I used to be I used to be I used to be a dog

She tears my heart out and that's a fucking fact
She tears my heart out
And she runs away with that
She tears my heart out
I hope she never brings it back

She tears my heart out
She tears my heart out
She tears my heart out
She tears my heart out
