ALLBLACK

(DTB, that's a slap)
Go

Carhartt drip, look like a lumberjack
Hit the club, fucked it up and left, had a dollar attack
RTA denim, my undershirt Gallery Dept
Jo Malone cologne, smellin' rich, I got her pussy wet
I ain't tryna hump unless you payin', I need a check
Pulled up in a Uber, when I left I pulled off in a 'Vette
Throwin' money out like it's moldy
Shit on, like AB, I can't control it

Whiskey shot, Maker's Mark, I'm too loaded
No more pourin' up with Twist, I keep foldin'
Play-runnin', route-runnin', Terrell Owens
I'm in that mood, call me 24kGoldn
If that ain't 'za up in them bags, you can hold it
Good drugs, my eyes can't stop rollin'
Y'all ain't really havin' motion, I can tell
I know the truth, you only eat when you in jail
I'm a demon drinkin' out the Holy Grail
Saturday night I'm goin' live, Dave Chappell
I ain't finna argue on the net, that's all 12
I ain't finna show guns, incriminate myself
Niggas think they bosses but really be the help
You niggas is my sons, I will take off my belt
