Woah, Kenny

When that pressure on (On who? Me?)
What the fuck you gon' do when that pressure on? (Boy, stop playin')
Will you beast up like M Lynch
Or will you turn on the jets like Usain Bolt?
When that pressure on (Lynch, Lynch, Lynch)
What the fuck you gon' do when that pressure on? (Boy)
Will you beast up like M Lynch (You want me to show you? Okay)
Or will you turn on the jets like Usain Bolt?

Ain't finna pull over and park (Sure ain't)
And I for sure ain't finna feed my family in the dark
Cut me a line, tip my hat off like a fuckin' mark (Who?)
Whip out and try to strip me for all of these bands (Try it)
Heard what I said, a nigga try it, this .40 gon' spark
Big mama said when I was six I had too much heart (Hi, baby)
Never the type to make friends when I was at the park (Never)
Play a nigga ball, got my hands up on your back arch (Socked out)
When that pressure on, I go harder (Yes, I do)
Arm in the money ring like T-Rex and Vince Carter
Only thing I took is straps and cash for my daughter
ALLBLACK will never go out of style like a throwback Starter

When that pressure on (Stop playin')
What the fuck you gon' do when that pressure on?
Will you beast up like M Lynch
Or will you turn on the jets like Usain Bolt?
When that pressure on (Beast mode, Hail Mary, I'ma throw somethin', shit)
What the fuck you gon' do when that pressure on? (Might hand the ball off to Tyran or somebody)
Will you beast up like M Lynch
Or will you turn on the jets like Usain Bolt?

When that pressure really on and them Derek Jeters on
Can you depend on that bitch you fuckin' on? (Huh?)
You gon' tie the gang with a kick, or go for six in the red zone?
Will your side bitch play dead when your main bitch is on the phone?
You watched Scarface two times, did a line, now you Bo?
In the gang in the suburbs, sold a eighth, now you Al Capone?
If any question, I just ask your ass right now is no
You need to apply for Job Corps and leave them streets alone (Bye)
I'll kill your stupid ass with a knife
Or stand right there with the other ones who hate their life

I do not cash out on nothing I can't buy twice

When that pressure on (Timeless, yes, I am, yes, I am)
What the fuck you gon' do when that pressure on?
Will you beast up like M Lynch

When that pressure on (I'ma get ten toes, I'ma keep runnin')
What the fuck you gon' do when that pressure on? (I'ma play zone defense)
